

**Become A Kennel Keeper or Purrfect Partner!**

Become one of Skye’s Kennel Keepers for our dogs or a Purrfect Partner for our cats at the SPCA Suncoast. An annual donation of \$500 or semi-annual donation of \$250 is all that is required to help. Your donation will go directly toward housing, feeding, and caring for our animals that are up for adoption at our facility. As a thank you, the SPCA Suncoast will post a custom engraved sign that will be mounted on our main lobby wall mural or on the mural in Kitty Cabana. An announcement and photo will also be sent to you once we process your donation and hang your sign. These are great gifts to honor a beloved pet, family member or friend and an excellent way to show your support for our community’s homeless pets!

**About Us**

• Since 1964, the SPCA Suncoast has been providing shelter for our community’s abandoned and neglected pets. We are committed to giving our adoptable pets the best care while they are waiting for their forever homes. Though animal care expenses have increased dramatically, we continue to treat medical conditions, work on behavior skills and give our pets a safe, comfortable environment.

• As a 501(c)3 non-profit we do not receive government funding. We rely on our community for the donations and support we need to continue our mission of saving, protecting and improving the lives of our community’s animals.

***Together we can make a difference to help these animals today & tomorrow***
